

# Pebbel Personal Safety Alarm

Have confidence inside and outside the home

# HOW DO I WEAR IT?

## USING THE NECKLACE

The Pebbell 2 comes with a necklace. You can wear it around your neck both when you are inside and outside the house. It should not be worn when you are going asleep but do keep it near by in case you get up during the night.

## USING THE CLIP

The Pebbell 2 comes with a clip. You can clip it on to a belt hook or another piece of clothing. You can also clip it on to your keys if you do not want to use it for inside the house.

## HOW DO I USE IT?

Pressing the SOS button

You should press the SOS button:

- i) **If you experience a fall**
- ii) **If you feel nervous or unsafe**
- iii) **If you suddenly feel unwell**

**The Pebbell will work inside  
and outside your home.**

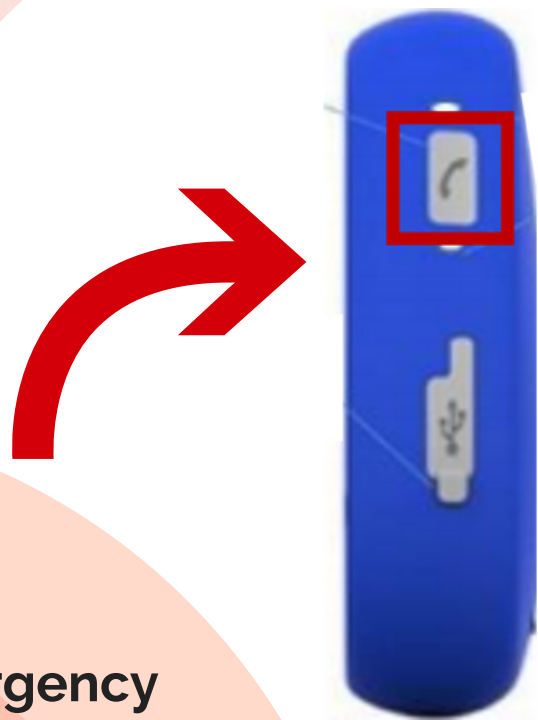

**Hold this button for  
three seconds**

When you press this button **Home Response will get an SMS Text message with your location coordinates.** This takes **five** seconds.

Home Response will also get a phone call **five** seconds after the message and they will speak to you to see how they can help you.

# HOW DO I USE IT?

## **Making a call to your emergency contacts**

You can make a phone call to your emergency contacts by pressing the small phone button.

Hold the button down and it will ring your first nominated contact.

If they don't answer, it will ring your second and third nominated contact. You can then speak to them through the Pebble 2.

# HOW DO I USE IT?

## **If you have a fall:**

The Pebbell 2 can detect a fall if you are wearing it when you fall.

The Pebbell 2 will send an SOS SMS Text message and location coordinates to Home Response if you do not move for 10 seconds.

If you can move press the button in for 3 seconds to send an SOS message. Home Response will then be able to speak to you and arrange help whether you are at home or out and about.

# HOW DO I CHARGE IT?

Home Response will get in touch when the battery is low to remind you to charge your device

1. Pop the Pebbell 2 into the charge cradle. The blue light will mean it is charging.

2. Make sure the cord is plugged in to the back of the cradle and that the cord is plugged into the socket.

If you can keep the cradle beside your bed and charge your Pebbell 2 at night time.

# WHAT DO I DO IF I LOSE IT?

If you misplace the device please contact ALONE on 01 679 1032 and ask to speak to a member of BConnect.

With your permission, ALONE can ask Home Response to send a message to the Pebbell 2 requesting its last known location. This would be the only time Home Response would use this last location function.
